

From Bishop Shaird

April 10, 2020

Greetings to my Solid Rock Family & Friends:

I pray that all of you are taking good care of yourselves and heeding all the warnings concerning the Coronavirus; i.e., wearing masks and gloves when one goes out (this do sparingly) and/or if you are an essential employee. Otherwise, we should all be at home with our families.

Concerning the collection of our tithes and offerings, we are still working on how to do this. We want to make sure that whatever method is chosen that it will be safe for all. So, we are investigating a few sites to determine whether we should use one of them as some require credit card/bank information etc., so we need to be assured of the safety and reliability of any site we may choose. For those who may not have a credit card and prefer to send checks via mail or deliver your offerings (NO CASH, please) to the church and push it through the mail slot, please do not hesitate to do so. We should have this information for you very shortly as to how we will receive God's blessings. We have already received, via mail, a few tithes. We know that you cannot wait to unload your tithes, etc., as you have been setting them aside as you await instruction. We thank you for your patience; and, most of all, your obedience to God's Word.

We'll get back to you shortly. May God continue to bless you and your family!

Bishop
